Forward WNCC Gmail Accounts to Your Preferred Email Provider
(Hotmail, Yahoo, Charter, AOL, etc)

1. Open your WNCC Gmail account (username & password same as MyWNCC access)
2. Click on Settings
3. Choose link “Forwarding and POP IMAP”

4. Complete the information as shown on the screen using your preferred personal email address.

5. We recommend that you have someone send you a test email. Address email using Your-Username@wncc.edu to insure that your email forwarding is set up successfully.
